Hi Charlie,

I have entered this request as LRB-4022. It will be a bill creating a statute, rather than a resolution. I think this has most of the info. I need. One question though: The highway naming statutes tend to fall into two categories - in one category, DOT pays for the signage to mark the highway from DOT's funds; in the other category, private donations are raised by DOT until it has enough money, and only then is the signage naming the highway erected. Which approach do you want in this bill? Thanks. Aaron

Hello Aaron,

Rep. Williams would like to have a resolution drafted to rename a highway. Below is the text of the email we received from the constituent who contacted us about it:

I am a lifelong citizen of the State of Wisconsin, I grew up in Tony and Ladysmith, Wisconsin. When I was a young girl my father held the position you now hold in the Wisconsin Legislature as the Republican for that District. My father's name was Willis J. Hutnik, the district he served in those days was generally Price, Rusk and Sawyer Counties - and sometimes all or portions of Washburn County. I spent the formative years of my life in Republican politics, my father wasn't just an "Assemblyman" during the week, this was his joy in life to represent the "North" in the Legislature. He worked hard, both he and my mother were very active in the Republican Party. He served in the Legislature for 18 years from 1950 to 1968 - or thereabouts.

I write to you for two reasons: First when I was a little girl, I recall the trip up Hwy 27 from Ladysmith to the Couderay Reservation and to Hayward being traveled very frequently, he spent considerable time traveling throughout the District on a regular basis, and the family went along on many of the trips. My father died in 1996, I am asking that in the upcoming budget bill that State Hwy 27 from Ladysmith to Hayward being named the "Willis J. Hutnik Memorial Highway". I can think

of no tribute he would love more. The work of being a representative of the people of that district was the most important thing in his life. If support in the district is needed, I am sure I can contact people in the area who will support this endeavor. Both my Sister and Brother live in the District and are supportive of this measure. I am asking for your support to include this in the upcoming budget bill as worthy of the support of the Republican Legislators in Wisconsin.

Her name and contact:
Margaret Hutnik benhut@att.net

This is the first time I have submitted a bill drafting, please let me know if you need anything else.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

Gen

- 1 **AN ACT ...; relating to:** designating and marking a portion of STH 27 in Rusk and
- 2 Sawyer counties as the Willis J. Hutnik Memorial Highway.

Analysis by the Legislative Reference Bureau

Under current law, certain highway routes and bridges have been designated and marked to memorialize, commemorate, or recognize certain individuals, groups, or events. This bill directs the Department of Transportation to designate and, upon receipt of sufficient contributions from interested parties, mark a portion of the route of STH 27 in Rusk and Sawyer counties as the "Willis J. Hutnik Memorial Highway" in recognition and appreciation of the public service of Willis J. Hutnik, who represented this area with distinction in the Wisconsin assembly from the 1953 legislative session to the 1969 legislative session. No state funds, other than from contributions from interested parties, may be used for the erection or maintenance of any markers on STH 27 to identify the highway as the "Willis J. Hutnik Memorial Highway."

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 3 **SECTION 1.** 84.10216 of the statutes is created to read:

84.10216 Willis J. Hutnik Memorial Highway. (1) The department shall designate and, subject to sub. (2), mark the route of STH 27 from Ladysmith to Hayward in Rusk and Sawyer counties as the “Willis J. Hutnik Memorial Highway” in recognition and appreciation of the public service of Willis J. Hutnik, who represented this area with distinction in the Wisconsin assembly from the 1953 legislative session to the 1969 legislative session.

(2) Upon receipt of sufficient contributions from interested parties, including any county, city, village, or town, to cover the costs of erecting and maintaining markers along the route specified in sub. (1) to clearly identify to motorists the designation of the route as the "Willis J. Hutnik Memorial Highway," the department shall erect and maintain the markers. No state funds, other than from the receipt of contributions under this subsection, may be expended for the erection or maintenance of the markers.

Please review the attached draft carefully to ensure that it is consistent with your intent.

Although STH 27 has been twice named already, there is nothing prohibiting a highway from having more than one name. The entire route of STH 27 is already designated as the Citizen Soldier Highway. See s. 84.1031. In addition, a portion of STH 27 in Monroe County has also been designated as the Deke Slayton Memorial Highway. See s. 84.1037. Under this bill, a different portion of STH 27 would be designated as the Willis J. Hutnik Memorial Highway, in addition to being the Citizen Soldier Highway.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.

Thanks Charlie, I read the draft it looks fine. One thing, I am presuming this may get over to the Department of Transportation for their review. If so and they would like to see "termini" for the highway designation, I would suggest the following: Intersection of State Highways 8 & 27 in Ladysmith to the Intersection of State Highways 27 & 77 in Hayward.
